The Algoma School District is listening, adjusting, and moving forward with you and together to ensure we have the best outcomes for ALL.

Principles We Will Follow

➔ **Unified Decision-Makers:** Make informed decisions with the health & safety of ALL in mind
➔ **Space Matters:** Follow social distancing guidelines
➔ **Lead with Facts:** We know that contact and exposure increase the spread of COVID-19
➔ **Commit to Prevention:** Proper precautions should be utilized to limit the spread of COVID-19
➔ **Be Resilient:** Monitor the current situation, pivot when needed, and adjust on a consistent basis

- #1 priority is the health and safety of ALL students focusing on mental health, social/emotional well-being, basic needs, and support
- Increased cleaning procedures (both in and out of the classroom) will take place, as well as social distancing guideline reminders and visuals such as floor adhesives and signage
- Illness and COVID-19 guidelines will be communicated to families and staff
- Protocols will be in place for students/staff who may become ill at school
- Screening procedures will be in place for all staff
- The district is working with transportation providers to help minimize virus transmission and address physical distancing
- Guidance for fall sports will come from the Packerland Conference

### Elementory School

**OPTION # 1**

- "One-Room Schoolhouse Model"
- Consistent student learning pods/groups
- Outdoor learning will be encouraged
- Recess held in learning pods
- Meals served in the classrooms

**OPTION # 2**

- All classes completed remotely
- Virtual instruction via live lessons and recorded videos
- Additional online and physical resources will be incorporated
- Students assigned to a homeroom teacher as point of contact
- Personalized, weekly check-ins with teachers will be a priority

### Middle/High School

- "One-Room Schoolhouse Model" (assigned teacher supports content classes)
- Consistent student learning groups
- Core content classes held in the morning
- Electives/classes that require hands on learning held in the afternoon
- Outdoor learning will be encouraged
- Meals served in the classrooms

*** Hybrid options may be available at each grade level keeping in mind staff, students', and parents' capacity as well as available resources.***
