SECTION 1: PREAMBLE & DEFINITIONS

1.01 PREAMBLE/DISCLAIMER

The contents of this *Handbook* are presented as a matter of information only. The plans, policies and procedures described are not conditions of employment. The District reserves the right to modify, revoke, suspend, terminate, or change any or all such plans, policies, or procedures, in whole or in part, at any time with or without notice. The language which appears in this *Handbook* is not intended to create, nor is it to be construed to constitute, a contract between the District and any one or all of its employees or a guaranty of continued employment. Notwithstanding any provisions of this *Handbook*, employment may be terminated at any time, with or without cause, except as explicitly provided for in any other pertinent section of this *Handbook* or individual contract.

In case of a direct conflict between this *Handbook*, rules, regulations or policies of the Board and any specific provisions of an individual contract or collective bargaining agreement, the individual contract or collective bargaining agreement shall control.

This *Employee Handbook* is intended to provide employees with information regarding policies, procedures, ethics, expectations and standards of the District; however, this *Handbook* should not be considered all inclusive. Copies of Board Policies are available in each administrative office to all personnel and are on the District website at www.algomawolves.org. It is important that each employee is aware of the policies and procedures related to his/her position. The rights and obligations of all employees are governed by all applicable laws and regulations, including, but not limited by enumeration to the following: Federal laws and regulations, the laws of the State of Wisconsin, Wisconsin State Administrative Code and the policies of the Algoma School Board.

Supervisors: The District will identify the individual employee's supervisor on the employee's job description.

Support Staff Employees: Support Staff Employees are those whom the District considers continuously employed, working either a calendar year, school year, or extended school year.

SECTION 2: EMPLOYMENT LAW

2.01 DEFINING AND DELIMITING EXEMPTIONS FOR ADMINISTRATIVE/PROFESSIONAL EMPLOYEES:

Further information applicable to these items can be found at www.ecfr.gov

A. Exempt employees need not be paid for any workweek in which they perform no work and use no accrued paid leave. See 29 CFR §541.602(a).

B. Deductions from pay may be made when an exempt employee is absent from work and does not use accrued paid leave for one or more full days for personal reasons, other than sickness or disability. See 29 CFR §541.602(b)(1).

C. Deductions from pay may be made for absences of one or more full days occasioned by sickness or disability (including work-related accidents) if the deduction is made in accordance with a bona fide plan, policy or practice of providing accrued paid leave for such sickness or disability and where the employee has exhausted such leave. See 29 CFR §541.602(b)(2).

D. While an employer cannot make deductions from pay for absences of an exempt employee occasioned by jury duty, attendance as a witness or temporary military leave, the employer can offset any amounts received by an employee as jury fees, witness fees or military pay for a particular week against the salary due for that particular week without loss of the exemption. See 29 CFR §541.602(b)(3).

E. Deductions from pay of exempt employees may be made for unpaid disciplinary suspensions of one or more full days imposed in good faith for infractions of workplace conduct rules. Such suspensions must be imposed pursuant to a written policy applicable to all employees. See 29 CFR §541.602(b)(5).

F. An employer is not required to pay the full salary for weeks in which an exempt employee takes unpaid leave under the Federal or Wisconsin Family and Medical Leave Acts. Rather, when an exempt employee takes unpaid leave under either Family and Medical Leave Act, an employer may pay a proportionate part of the full salary for time actually worked. See 29 CFR §541.602(b)(5).

G. Exempt employees who are eligible to accrue sick, personal and other paid leave who take leave for personal reasons or because of illness or injury of less than one work day may have their pay docked when such accrued leave is not used by the employee because:

1. Permission for its use has not been sought or has been sought and denied;
2. Accrued leave has been exhausted; or
3. The employee chooses to use leave without pay.

H. It is the policy of the Algoma School District that improper pay deductions from the salary of exempt employees under the federal Fair Labor Standards Act as specified in board policy, this handbook and 29 C.F.R. § 541.602 are prohibited. Employees are to promptly report any improper pay deductions to the District Office. Employees who have had improper deductions made from their compensation will be promptly reimbursed. See 29 CFR §541.603(d).

2.02 EMPLOYEE (WHISTLEBLOWER) PROTECTION: It is the intent of the District to adhere to all laws and regulations that apply to the District, and the underlying purpose of this provision is to support the District's goal of legal compliance. The support of all employees is necessary to achieving compliance with various laws and regulations.

A. Complaint Procedure: If any employee of the District reasonably believes that some policy, practice, or activity of the District is in violation of law, a written complaint must be filed by that employee with the District Administrator. If the complaint is about a practice or activity of the District Administrator, the complaint must be filed with the Board President.

B. Anti-Retaliation: An employee is protected from retaliation only if the employee brings the alleged unlawful policy, practice, or activity to the attention of the District and provides the District with a reasonable opportunity to investigate and correct the alleged unlawful policy, practice, or activity pursuant to the District's chain of command or complaint policies. The protection described below is only available to employees who comply with this requirement. The protection against retaliation that is described below does not limit the District from taking disciplinary or other employment action, including termination, against an employee where that discipline or employment action is not based on the employee's filing of a good faith complaint under this policy. The District will not retaliate against an employee who in good faith has made a protest or raised a complaint against some policy, practice, or activity of the

District, or of another individual or entity with whom the District has a business relationship, on the basis of a reasonable belief that the policy, practice, or activity is in violation of law or a clear mandate of public policy. The District will not retaliate against an employee who discloses or threatens to disclose to a supervisor or a public body any policy, practice, or activity of the District that the employee reasonably believes is in violation of law or a rule or regulation mandated pursuant to law or is in violation of a clear mandate of public policy concerning the health, safety, welfare, or protection of the environment. Nothing herein shall limit or diminish an employee's protections against retaliation for filing a complaint, or participating in an investigation or legal proceeding, if such actions are protected by state and/or federal law.

2.03 EMPLOYMENT OF MINORS: No one under eighteen (18) years of age will be employed without providing proper proof of his or her age. Minors will be employed only in accordance with state and federal laws and District policies.

2.04 EQUAL OPPORTUNITY: It is the policy of the District that no person may be illegally discriminated against in employment by reason of their age, race, religion, creed, color, disability, pregnancy, marital status, sex, citizenship, national origin, ancestry, sexual orientation, arrest record, conviction record, military service, membership in the National Guard, state defense force or any other reserve component of the military forces of Wisconsin or the United States, political or religious affiliation, use or nonuse of lawful products off the employer's premises during nonworking hours, declining to attend a meeting or to participate in any communication about religious matters or political matters, the authorized use of family or medical leave or worker's compensation benefits, genetic information, or any other factor prohibited by state or federal law.

Reasonable accommodations shall be made for qualified individuals with a disability, unless such accommodations would impose an undue hardship on the District. A reasonable accommodation is a change or adjustment to job duties or work environment that permits a qualified applicant or employee with a disability to perform the essential functions of a position or enjoy the benefits and privileges of employment compared to those enjoyed by employees without disabilities. Requests for accommodations under the Americans with Disabilities Act or under the Wisconsin Fair Employment Act from current employees must be made in writing in accordance with District policy.

The District encourages informal resolution of equal opportunity complaints. However, a formal complaint procedure is available to address violations of the law at https://www.eeoc.gov/federal/fed_employees/filing_complaint.cfm

2.05 FAIR LABOR STANDARDS ACT (FLSA): Certain types of workers are exempt from the minimum wage and overtime pay provisions, including bona fide executive, administrative, and professional employees who meet regulatory requirements under the FLSA.

2.06 FAMILY AND MEDICAL LEAVE ACT (FMLA): As an employer that is covered by the FMLA, the District has posted the General Notice (Federal and Wisconsin) in the employee breakrooms. The General Notices are also attached to this *Handbook*, or may be viewed at <https://www.dol.gov/whd/regs/compliance/posters/fmlaen.pdf> and http://dwd.wisconsin.gov/dwd/publications/erd/pdf/erd_7983_p.pdf

2.07 IMMIGRATION LAW COMPLIANCE: The District is committed to employing only United States citizens and aliens who are authorized to work in the United States. Therefore, in accordance with the Immigration Reform and Control Act of 1986, employees must complete an I-9 form before commencing work and at other times prescribed by applicable law or District policy. <http://www.uscis.gov/files/form/i-9.pdf>

SECTION 3: GENERAL EMPLOYMENT PRACTICES AND EXPECTATIONS

3.01 DISTRICT EXPECTATIONS: The District expects its employees to produce quality work, maintain confidentiality, work efficiently, and exhibit a professional and courteous attitude toward other employees, parents, and students. The District expects employees to comply with all applicable Board policies, work rules, job descriptions, terms of this *Handbook* and legal obligations.

The District expects employees to comply with the standards of conduct set out in Board policies, this *Handbook*, administrative regulations, and with any other policies, regulations and guidelines that impose duties, requirements or standards attendant to their status as District employees. Violation of any policies, regulations and guidelines may result in disciplinary action, including termination of employment.

The following delineation of employment practices is for informational purposes and is not intended to be an exhaustive list of all employment expectations that may be found in other applicable Board policies, work rules, job descriptions, terms of this *Handbook* and legal obligations.

3.02 ACCIDENT/INCIDENT REPORTS: All accidents/incidents occurring on District property, school buses or during the course of school-sponsored activities, including field trips and other away events, are to be reported to the building principal/immediate supervisor immediately. Reports should cover property damage as well as personal injury. A completed accident report form (available from building secretaries) must be submitted to the District Office within twenty-four (24) hours or the next scheduled District workday, as appropriate. In the event of a work-related accident or injury, please see Worker's Compensation section.

3.03 ATTENDANCE: The District expects employees to make every effort to be present for work. Employees are expected to adhere to their assigned schedule. In order for the schools to operate effectively, employees are expected to perform all assigned duties and work all scheduled hours during each designated workday, unless the employee has received approved leave. Breaks and meal periods may only be taken during times designated by the employee's supervisor/building administrator and as further specified in other parts of this *Handbook*. Any deviation from assigned hours must have prior approval from the employee's supervisor/building administrator.

Employees who are unable to report to work shall follow the applicable procedures by calling the District Substitute Coordinator or other appropriate administrator for reporting his/her absence. Any time spent not working during an employee's scheduled day must be accounted for in Skyward. The District will monitor attendance and absence patterns. Theft of time and/or improper modification of time worked records will be investigated and will result in disciplinary action up to and including termination. Failure to notify the District of an absence and failure to report to work on such day could result in disciplinary action up to and including termination.

3.04 BULLETIN BOARDS: The Employer shall provide a bulletin board as a limited forum for employees to post professional development information and other apolitical literature that is directly connected to employment at the District and is consistent with District policy and applicable law. If a collective bargaining unit exists, the Association will be allowed to post items on the bulletin board subject to the restrictions set forth herein and as amended by the applicable collective bargaining agreement. All distributed and posted materials shall always be professional in approach, shall not contain any derogatory comments about staff, parents, students or board members and shall not be in contravention of any District policy or law. The District Administrator will be provided a copy of all posted material at the time of the posting. The District Administrator and/or his/her designee shall be allowed to remove material from the bulletin board(s) at his/her discretion.

3.05 BREASTFEEDING: Upon request, the District shall provide a reasonable break time for an employee to express breast milk for her nursing child for one year after the child's birth each time such employee has the need to express the milk. For members of the professional teaching staff, "reasonable break time" generally means periods during the day when they are not engaged in instruction with students. Furthermore, the District shall provide a place, other than a

bathroom, that is shielded from view and free from intrusion from coworkers and the public, which may be used by an employee to express breast milk. Preferably, the space should have an electrical outlet for use by the employee. Non-exempt employees under the Fair Labor Standards Act shall not be compensated for any break taken for the purpose of expressing milk, unless such break would otherwise be compensable. As a general matter, "non-exempt" employees are those who receive overtime if they work more than 40 hours in any week. Non-exempt employees shall not engage in any work-related activities during breaks used to express milk.

3.06 CHILD ABUSE REPORTING:

A. Except as provided under Wisconsin Statute § 48.981, sub. (2m), any school employee who has reasonable cause to suspect that a child, seen by the person in the course of professional duties, has been abused or neglected or who has reason to believe that a child, seen by the person in the course of professional duties, has been threatened with abuse or neglect, and that abuse or neglect of the child will occur, shall report as provided for below in section B: school nurse, social worker, professional counselor, school teacher, school administrator, school counselor, child care worker in a child care center, or residential care center for children and youth a child care provider, an alcohol or other drug abuse counselor, a physical therapist, a physical therapist assistant, an occupational therapist, a dietitian, a speech-language pathologist, an audiologist, an emergency medical technician, a first responder and a police or law enforcement officer, including a police liaison officer.

B. A person required to report shall immediately inform, by telephone or personally, the applicable District administrative personnel and the county department of the facts and circumstances contributing to a suspicion of child abuse or neglect or of unborn child abuse or to a belief that abuse or neglect will occur.

3.07 COMMUNICATIONS: District employees are expected to abide by the following rules when using information technology and communication resources.

A. Electronic Communications:

1. Electronic communications are protected by the same laws and policies and are subject to the same limitations as other types of media. When creating, using or storing messages on the network, the user should consider both the personal ramifications and the impact on the District should the messages be disclosed or released to other parties. Extreme caution should be used when committing confidential information to the electronic messages, as confidentiality cannot be guaranteed.
2. The District may review email logs and/or messages at its discretion. Because all computer hardware, digital communication devices and software belong to the Board, users have no reasonable expectation of privacy, including the use of email, text-message and other forms of digital communications, e.g. voicemail, Twitter™, Facebook™, etc. The use of the District's technology and electronic resources is a privilege which may be revoked at any time.
3. Electronic mail transmissions and other use of the District's electronic communications systems or devices by employees shall not be considered confidential and may be monitored at any time by designated District staff to ensure appropriate use. This monitoring may include, but is not limited by enumeration to, activity logging, virus scanning, and content scanning. Participation in computer-mediated conversation/discussion forums for instructional purposes must be approved by curriculum or District administration. External electronic storage devices are subject to monitoring if used with District resources.

B. User Responsibilities: Network/internet users (students and District employees), like traditional library users or those participating in field trips, are responsible for their actions in accessing available resources. The following standards will apply to all users (students and employees) of the network/internet:

1. The user in whose name a system account is issued will be responsible at all times for its proper use. Users may not access another person's account without written permission from an administrator or immediate supervisor.
2. The system may not be used for illegal purposes, in support of illegal activities, or for any other activity prohibited by District policy.

3. Users may not redistribute copyrighted programs or data without the written permission of the copyright holder or designee. Such permission must be specified in the document or must be obtained directly from the copyright holder or designee in accordance with applicable copyright laws, District policy, and administrative regulations.
4. A user must not knowingly attempt to access educationally inappropriate material. If a user accidentally reaches such material, the user must immediately back out of the area on the Internet containing educationally inappropriate material. The user must then notify the building administrator and/or immediate supervisor of the site address that should be added to the filtering software, so that it can be removed from accessibility.
5. A user may not disable internet tracking software or implement a private browsing feature on District computers or networks. Browsing history shall only be deleted by authorized staff or in accordance with the District's technology department's directives.

C. Electronic Communications with Students: Employees are prohibited from communicating with students who are enrolled in the District through electronic media, except as set forth herein. An employee is not subject to this prohibition to the extent the employee has a pre-existing social or family relationship with the student. For example, an employee may have a pre-existing relationship with a niece or nephew, a student who is the child of an adult friend, a student who is a friend of the employee's child, or a member or participant in the same civic, social, recreational, or religious organization. The following definitions apply for purposes of this section on Electronic Communication with Students:

"Authorized Personnel" includes classroom teachers, counselors, principals, assistant principals, directors of instruction, coaches, campus athletic coordinators, athletic trainers, and any other employee designated in writing by the District Administrator or a building principal.

"Communicate" means to convey information and includes a one-way communication as well as a dialogue between two or more people. A public communication by an employee that is not targeted at students (e.g., a posting on the employee's personal social network page or a blog) is not a communication; however, the employee may be subject to District regulations on personal electronic communications. Unsolicited contact from a student through electronic means is not a communication.

"Electronic media" includes all forms of social media, such as, but not limited by enumeration to, the following: text messaging, instant messaging, electronic mail (email), Web logs (blogs), electronic forums (chat rooms), video sharing Websites (e.g., YouTube™), editorial comments posted on the Internet, and social network sites (e.g., Facebook™, MySpace™, Twitter™, LinkedIn™), and all forms of telecommunication such as landlines, cell phones, and web-based applications.

D. Limited Electronic Communication with Students: Authorized Personnel may communicate through electronic media with students who are currently enrolled in the District only within the following guidelines:

1. The employee shall limit communications to matters within the scope of the employee's professional responsibilities (e.g., for classroom teachers, matters relating to class work, homework, and tests) and personal matters relating to hiring students as babysitters, lawn and garden workers, etc. Parent knowledge of this type of personal communication is required.
2. If an employee receives an unsolicited electronic contact from a student that is not within the employee's professional responsibilities (e.g., for classroom teachers, matters relating to class work, homework, and tests), or for inappropriate personal matters as outlined above, the employee shall not respond to the student using any electronic media except to address a health or safety emergency and shall report to his/her principal on the next school day of said contact.
3. The employee is prohibited from communicating with students through a personal social network page; the employee must create a separate social network page ("professional page") for this purpose. The employee must enable administration and parents to access the employee's professional page.
4. Teachers, coaches, trainers, or other employee who has an extracurricular duty may communicate with students through text messaging. The employee may communicate only with students who participate in the extracurricular activity over which the employee has responsibility and shall be limited to information about the activity.

5. The employee shall not communicate with any student between the hours of 9:00 p.m. and 7:00 a.m. unless the employee has supervisory responsibilities for the student at that time. An employee may, however, make public posts to a social network site, blog, or similar application at any time.

6. Upon request from the administration, an employee will provide the phone number(s), social network site(s), or other information regarding the method(s) of electronic media the employee uses to communicate with any one or more currently-enrolled students.

E. Retention of Electronic Communications and other Electronic Media: The District archives all non-spam emails sent and/or received on the system in accordance with the District's adopted record retention schedule. After the set time has elapsed, email communications may be discarded unless the records may be relevant to any pending litigation, pending public records request, or other good cause exists for retaining email records. (Electronic Communications Policy 353.5, 353.5 Rule & 353.5 Exhibit A)

F. Electronic Recording: Employees shall not electronically record by audio, video, or other means, any conversations or meetings unless each and every person present has been notified and consents to being electronically recorded. Persons wishing to record a meeting must obtain consent from anyone arriving late to any such meeting. Employees shall not electronically record telephone conversations unless all persons participating in the telephone conversation have consented to be electronically recorded. These provisions are not intended to limit or restrict electronic recording of publicly posted Board meetings, grievance hearings, and any other Board sanctioned meeting recorded in accordance with Board policy. These provisions are not intended to limit or restrict electronic recordings involving authorized investigations conducted by District personnel, or authorized agents of the District, or electronic recordings that are authorized by the District, e.g. surveillance videos, extracurricular activities, voicemail recordings.

G. After reviewing his or her personnel records, the employee has the right to request that records he or she believes to be inaccurate or obsolete be removed from his or her file. B. Grievant: A "grievant" may be any employee or group of employees.

C. Day: The term "days" as used in this Section shall mean regularly scheduled workdays, unless otherwise indicated.

E. Termination: "Termination" is defined as an involuntary discharge involving the dismissal of an employee, usually for some infraction of the rules or policies of the District, abandonment of the position, incompetence or other reason deemed sufficient by the Board and/or its designee. Termination results in involuntary separation and with prejudice to the employee. A termination will result in the loss of length of service and other employment benefits. 4. The individual(s) filing the grievance must propose a specific remedy.
5. The issue and proposed remedy must be under the reasonable control of the District.

4.03 TIME LIMITS: The time limits set forth in this Section shall be considered as substantive, and failure of the grievant to file and process the grievance within the time limits set forth in this Section shall be deemed a waiver and a settlement of the grievance. The number of days indicated at each level should be considered a maximum. The time limits specified may, however, be extended by the mutual consent of the District and the grievant. The parties may, through mutual consent, agree to start the grievance at a higher step if the grievance involves termination and is initially filed in a timely manner pursuant to the timelines set forth below.

4.04 GRIEVANCE PROCESSING PROCEDURE: Grievances shall be processed in accordance with the following procedure:

Step One - Informal Resolution: An earnest effort shall first be made to settle the matter informally between the employee and the immediate supervisor. A grievance may be initiated through an informal meeting and discussion with the immediate supervisor, the employee and the employee's designated representative. The informal meeting and discussion shall occur within thirty (30) days after the facts upon which the grievance is based first occurred. The immediate supervisor will give an answer to the grievance. The grievant(s) shall be required to state the purpose of the discussions and event(s) upon which the discussions are based. The immediate supervisor shall notify the grievant and (if applicable and appropriate) the representative of his/her answer within ten (10) days. If the matter cannot be resolved or if no answer is provided in the above timeframe, the grievant(s) may file a written grievance.

Step Two - Written Grievance: If the grievance is not resolved at Step One, the grievant shall file a written grievance with the immediate supervisor within ten (10) days after the earlier of the following: (1) receipt of the Step One response; or (2) the District's deadline for providing a Step One response (if no response is provided). The written grievance shall include the facts upon which the grievance is based, the issues involved, the *Handbook* provision alleged to be violated and the relief sought. The grievance shall be signed and dated by the grievant. The immediate supervisor shall respond to the grievance in writing within ten (10) days. However, if there is an ongoing investigation related to the subject matter of the grievance, the immediate supervisor shall have until ten days after completion of the investigation to respond to the grievance. If the matter cannot be resolved or if no answer is provided in the above timeframe, the grievant(s) may file an appeal to the District Administrator.

If the grievant's immediate supervisor is the District Administrator, the grievant shall skip Step Three and proceed directly to Step Four if he/she is not satisfied with response of his/her immediate supervisor at Step Two (or if no answer is provided in the above timeframe).

Step Three - Appeal to District Administrator: If the grievance is not resolved at Step Two, the grievant may appeal the written grievance to the District Administrator within ten (10) days after the response at Step Two or if no response is provided within ten (10) days of the deadline for the response. The District Administrator shall meet with the grievant(s) and/or the employee's designated representative and the principal or immediate supervisor within ten (10) days after receiving the written grievance. The District Administrator shall respond to the written grievance within ten (10) days of the meeting or at a later date as determined by the District Administrator if further investigation is warranted. The District Administrator shall indicate in writing the disposition of the grievance and forward it to the grievant and (if applicable and appropriate) the grievant's representative. If the matter cannot be resolved or if no answer is provided in the above timeframe, the grievant(s) may file an appeal to the impartial hearing officer.

Step Four - Appeal to Impartial Hearing Officer: If the grievance is not resolved in Step Three, the employee must notify the District Administrator, within ten (10) days after receipt of the District Administrator's answer or if no response is provided within ten (10) days of the deadline for the response, if he or she intends to process the grievance to an impartial hearing officer. The selected impartial hearing officer will be approved by the Board of Education. This step of the process is available only if the alleged violation of District policy or *Employee Handbook* involves discipline, termination, or workplace safety.

If there is a dispute over the timeliness or the ability to use the grievance procedure on the issue, the Administration shall have the discretion to bifurcate the hearing for the purpose of deciding those issues (i.e. address whether the grievance was filed in a timely manner before hearing the merits of the grievance or address whether the content of the grievance is properly before the impartial hearing officer).

Step Five – Appeal to Board of Education: If the grievance is not resolved at the prior step, the grievance may be appealed to the School Board within ten (10) days after the decision at the prior step. Either the administration or the grievant may appeal an impartial hearing officer's decision to the Board. The Board's decision is final and may not be appealed. All Board actions throughout this process shall comply with requirements of Wisconsin's Open Meetings Law.

The Board shall meet with the parties to review the evidence and hear testimony relating to the grievance. At the hearing, each party may cross-examine any witness of the other party. If either party presents an exhibit that was not presented at a prior step of the grievance process, the exhibit must be provided to the other party at least twenty-four (24) hours prior to the hearing.

The Board shall render a written decision that affirms, reverses, or modifies the decision of the hearing officer (or, if applicable, of the District Administrator). Such decision shall be rendered in a timely manner and shall be sent to the administration, the grievant, and (if applicable) the grievant's representative. The Board's decision is final and may not be appealed. All Board actions throughout this process shall comply with requirements of Wisconsin's Open Meetings Law.

4.05 GRIEVANT'S RIGHT TO REPRESENTATION: Any grievant may be represented at all stages of the grievance procedure by a representative(s) of his/her own choosing.

4.06 CONSOLIDATION OF GRIEVANCES: Grievances of the same type, and with similar fact situations, may be consolidated at the discretion of the Administration.

SECTION 6. PROFESSIONAL GROWTH & EVALUATION

6.01 PROFESSIONAL GROWTH TEACHERS

6.01A Requirement to Remain Current

All teachers shall engage in independent and active efforts to maintain high standards of individual excellence. Such efforts shall include keeping current in each specific and applicable area of instruction, Board established curriculum, as well as continuing study of the art of pedagogy. In addition to maintaining high standards of excellence for the students and school, the teacher will make him/herself available during the contractual year and day to his/her colleagues for assistance, to the District for services beyond those specifically required as part of his/her individual contractual duties, and to the community as a valuable resource.

Compensation for Credit Costs. Teachers will be reimbursed for college credit costs at a rate of one hundred dollars (\$100) /credit hour for undergraduate courses and one hundred and fifty dollars (\$150)/credit hour for graduate courses. There will be a maximum of five hundred dollars (\$500) paid for courses taken and completed in any given school year or the summer following the school year. Courses for credit reimbursement must be of educational benefit to the district and must be pre-approved by the District Administration before beginning the course. Reimbursement will be payable during the next school year if the teacher is still under contract with the District and provides a transcript for the course(s) taken showing a grade of "B" or better and proof of payment.

6.01B Advanced Degree/Certification Incentive

The Board recognizes that opportunities may arise for professional staff to earn advanced degrees or new certifications, including National Board Certification. As promoters of lifelong learning, the Board and Administration will offer a \$1000 salary increase to any individual completing an advanced degree or certification program after September 13, 2013, with administrative approval. The increase becomes effective the school year following completion. Since this is a Jan. 2014 incentive in the Teacher Handbook, consideration may be given to anyone starting programs previous to this date. The

program must improve the professional practices of the recipient and, ultimately, student achievement consistent with the Wisconsin Educator Effectiveness System. Thus, administrative evaluations during the time of study in the program and after must indicate improved practice and student achievement for this monetary award to start and be maintained. The Course Notification and Course Reimbursement documents on the X-drive have been modified to reflect this incentive.

6.01C Course Reimbursement

Courses must be pre-approved and reimbursement will be payable the following school year providing teacher is still under contract with the District. Teachers must submit before May 1st a transcript for the course(s) completed with an earned grade of “B” or better along with a copy of paid tuition bill to be reimbursed the following September. Teachers will be reimbursed for college credit costs at a rate of \$100 credit hour for undergraduate courses and \$150 credit hour for graduate courses. A maximum of \$500 will be reimbursed for courses taken and completed in any given school year. Courses for credit reimbursement must be of educational benefit to the district.

The administrator may be a certified building principal, assistant principal, district administrator, or assistant district administrator. The administrator may be a District employee or a non- District employee who is a certified administrator. Prior to the first student contact day, the District will provide the employees with their placement within the supervision and evaluation rotation cycle. The District may modify this list at any time during the contract year. The employees affected by the change will be notified in writing of any changes in the evaluation list.

ACKNOWLEDGEMENT OF RECEIPT AND RESPONSE:

The teacher will acknowledge receipt of all documents related to supervision and evaluation by signing and dating the document within ten (10) school days. The teacher shall have the right to attach a report with any remarks concerning the document(s). Acknowledging receipt does not imply agreement with all or part of the documents received. Any employee wishing to comment on the evaluation or who feels the evaluation was incomplete, inaccurate, or unjust, may reduce those comments or objectives to writing and have them attached to the evaluation instrument to be placed in the personnel file. A teacher may attach a response to any document related to this process after the teacher’s receipt of the evaluation document(s) listed above. The file copy of the evaluation and any comments or objectives shall be signed by both parties to indicate awareness of the content. The following statement shall be part of the instrument:

INTENSIVE SUPPORT:

Intensive support is the supervision and evaluation procedure applied to continuing teachers whose performance has not met expectations as of the most recent summative evaluation conference. Continuing teachers whose overall performance has not met expectations may, at the discretion of the District, receive intensive support or may be non-renewed pursuant to § 118.22, Wis. Stats. If in the District’s discretion intensive support is offered, the process shall be as follows:

- B. Content of Intensive Support: It may include a description of the teacher’s deficiencies, a description of appropriate performance, a goal setting plan to help the teacher develop required skills, a schedule of supervisory activities including at least one evaluation, and a target date by which time the teacher will perform satisfactorily. The plan is not limited to, but might include, the following interventions: any means of staff development defined in the District staff development plan, observations and/or support by experts outside the District, and/or peer coaching or mentoring.

Mentor for Initial Educator and a teacher new to the District (who holds a current Wisconsin teaching license):

- A. An initial educator will be provided a qualified mentor for the first year of employment. Subsequent years will be determined collaboratively by the District and teacher. When mentors are selected by the District, volunteers will be considered first. If the District deems that a suitable match cannot be made from the list of volunteers, the District may contract other continuing teachers who are qualified mentors. The District reserves the right to use qualified persons who are not District employees or continuing teachers.
- B. If a teacher is selected as a mentor, he/she shall be paid a stipend of six hundred (\$600.00) dollars for the period served as a mentor (from August of the first year through October of the subsequent year) for an initial educator. TEACHER LEADERSHIP ROLES:

If the administration creates faculty or department teams or committees, it shall consult with interested teachers to establish the purpose of the team or department, select the team or department head, set objectives and goals for each team, department or committee, and assign each teacher to one or more of the teams, departments or committees. Final decision making authority shall rest with the administration. The District shall pay team, department or committee heads per extra-curricular salary schedule in compensation for his or her duties.

SECTION 7. TEACHER ASSIGNMENTS, VACANCIES, TRANSFERS, RESIGNATIONS, AND ABSCENCES

7.01 TEACHER ASSIGNMENTS

Determination of Assignment: Teachers will be assigned or transferred by the District Administrator of the District and/or his/her designee.

Assignment Preference Consideration: Teachers may express in writing to the District Administrator and/or his/her designee their preference of a) school; b) grade level; or c) subject. If a teacher wishes to be transferred to another position which may open during the summer, application for a transfer should be made in writing to the District Administrator and/or his/her designee, who shall give due consideration to such requests (subject to the District Administrator's or the designee's authority to assign to all positions the individual who he/she believes is the best fit).

7.02 JOB POSTING

When a position becomes vacant or a new position is created, notice of such available position shall be posted in District until filled. The employer retains the right to temporarily fill vacant positions at its discretion during the posting and selection period. The notice shall include the date of posting, the job requirements, classification, a description of the position available, the work hours of the position, the rate of pay for the position, the anticipated start date and the qualifications required for the position.

7.03 PROCESS FOR FILLING VACANCIES

An employee who applies for a vacant position, prior to the end of the posting period, may be granted an interview for the position. The District retains the right to select the most qualified applicant for any position based upon stated job descriptions (this restriction does not prohibit the District from considering qualifications that are related to the position and exceed those minimum qualifications listed in the job description). The term applicant refers to both internal candidates and external candidates for the position. The District retains the right to determine the job descriptions needed for any vacant position.

7.04 INVOLUNTARY TRANSFERS

When the District determines that an involuntary transfer of an employee is necessary, due to the District's inability to fill a vacancy or a new position according to the procedures set forth above may, at its discretion, transfer an employee in the District qualified for the position. An employee who is involuntarily transferred shall suffer no loss of wages, hours, or other fringe benefit as a result of such transfer.

7.05 EMPLOYEE RESIGNATIONS

A. The teacher's individual contract, which is part thereof, shall be considered binding on both parties. Individual contracts are distributed by May 15th of each year and due back to building principal by June 15th. If for any reason a teacher asks for release from the contract, it is understood that the following conditions for release shall apply:

1. The teacher must give the District notice that they intend on severing their contract with the District. Whenever possible, the teacher must give such notice at least ninety (90) calendar days prior to the date the employee desires the severance to occur.
2. It is agreed that liquidated damages are due to the District with the ninety (90) calendar day notice of resignation as follows:
 - a. One thousand dollars (\$1,000.00) if the employee's resignation is effective on or after June 16th, but before July 1st.

 - d. Six thousand dollars (\$6,000.00) if the employee's resignation is effective on or after the start of the school year.
3. Liquidated damages and the ninety (90) calendar day notice requirement would not apply to teachers who do not return their contracts by June 15th, or whose resignation is tendered and effective after the end of the school year.
4. The employee may choose to have liquidated damages deducted from the employee's last paycheck(s) or the employee shall submit a check for the liquidated damages amount at the time of resignation.

B. The Board in its discretion may waive the liquidated damages for the following reasons:

1. Employment transfer of spouse;
2. Illness of employee;
3. Other reasons as determined by the School Board.

In the event the District chooses to waive the liquidated damages, the District shall return any damages submitted with the resignation notice to the employee.

C. Any employee involuntarily called into service by the United States government for military duty shall not be assessed liquidated damages under this Article. In the event said teacher breaches this contract by termination of services during the term hereof, the Board may, at its option, demand to recover from the teacher such amount of liquidated damages as set forth above; provided, however, that this expressed intent to liquidate the uncertain damages and harm to the District is not the exclusive remedy or right of the Board, but is, rather, an alternative right and remedy and shall not, unless the Board elects to rely on the same, preclude the Board from seeking and recovering the actual amount of damages resulting from such a breach by the said teacher.

7.06 TEACHER ABSCENSES AND SUBSTITUTES

When a regular teacher is to be absent from school and a substitute teacher is needed, it is the responsibility of the teacher to call the designated administrator. If possible, such notification should be made the evening prior to the time of absence, or before 6:00 a.m. This will help to provide time for obtaining a substitute teacher.

7.07 SUMMER SCHOOL ASSIGNMENTS

When possible, summer school subjects should be made known on or before the May regular school board meeting. All teachers in the District may apply for summer school positions in the same manner as non-District teachers. Employees teaching summer classes shall be given a summer school session contract in accordance with § 118.21, Wis. Stats.

The check will be processed and if there is any mileage due to the employee, a check will be issued. The employee will not suffer any loss of benefits that would be accrued during this time (i.e. sick leave, health insurance, vacation, etc.) or loss of any salary adjustment to which the employee is entitled. The time required for any employee to serve on jury duty will not be deducted from sick leave or vacation time the employee has earned or will earn in the future.

10.04E Bereavement Leave

In the event of a death, a full-time employee shall be allowed one (1) bereavement day with pay. Special consideration in the form of two (2) additional bereavement days with pay may be granted in the event of the death of a spouse, parents, domestic partner, children, and step-relatives & in-laws of the same relationship. With administrative approval additional days may be granted for relationships not listed above. If granted, these days would count against sick leave.

Part-time employees will receive bereavement leave on a pro-rated basis based upon the number of hours they are scheduled to work. The pro-rated amount shall be based on the assumption that a full-time employee works eight (8) hours per day. Limited part-time and minimal part-time employees may work with their supervisor to request bereavement leave, but it will be unpaid.

10.04F Uniformed Services Leave

UNIFORMED SERVICES LEAVE OF ABSCENSE:

Employees performing duty, whether on a voluntary or involuntary basis, in a uniformed service shall be granted a leave of absence without pay in accordance with the provisions of federal law, state law, and this *Handbook*.

The "uniformed services" consist of the following [20 CFR § 1002.5(o)]:

- A. Army, Navy, Marine Corps, Air Force and Coast Guard
- B. Army Reserve, Naval Reserve, Marine Corps Reserve, Air Force Reserve and Coast Guard Reserve
- C. Army National Guard and Air National Guard
- D. Commissioned Corps of the Public Health Service
- E. Any other category of persons designated by the President in time of war or emergency

REQUEST FOR UNIFORMED SERVICES LEAVE:

When time permits, the request for a reserve military leave should be as far in advance as possible so the employer can adequately plan for the absence. Whenever possible, the request should be accompanied by a copy of the reservist's military orders. The request shall be submitted to the District Administrator or his/her designee.

SENIORITY/LENGTH OF SERVICE DURING UNIFORMED SERVICES LEAVE:

Employees shall continue to accrue length of service for wage/salary increments, if applicable, and all other purposes where length of service is a factor. The employee's absence shall not be construed as a break in service for any purpose. Reemployment rights extend to persons who have been absent from a position of employment because of "service in the uniformed services." "Service in the uniformed services" means the performance of duty on a voluntary or involuntary basis in a uniformed service, including:

- A. Active duty and active duty for training
- B. Initial active duty for training
- C. Inactive duty training
- D. Full-time National Guard duty
- E. Absence from work for an examination to determine a person's fitness for any of the above types of duty
- F. Funeral honors duty performed by National Guard or Reserve members
- G. Duty performed by intermittent employees of the National Disaster Medical System (NDMS), which is part of the Department of Health and Human Services, when activated for a public health emergency, and approved training to prepare for such service (added by Pub. L. 107-188, June 2002). See 42 U.S.C. § 300hh-11(d).

10.04G Family and Medical Leave Act (FMLA) Leave

Unless in the case of an emergency, the request for FMLA leave should be made as far in advance as possible. The Algoma School District follows the guidelines and procedures of both the Federal and Wisconsin FMLA notices (posted in employee breakrooms and attached to this *Handbook*).

FMLA leave is unpaid leave. Any employee using Wisconsin FMLA leave may choose to substitute any of the employee's accrued paid leave for unpaid FMLA leave. Once the period of Wisconsin leave has expired, any employee using federal FMLA leave will be unpaid leave. If leave is for personal illness, available sick days may be used until eligible for Long Term Disability Insurance. During FMLA leave, an employee's group health and dental insurance benefits will be maintained, provided that the employee continues to pay required employee premium contributions during the leave. If a required employee contribution is more than 30 days late, the employee's health and dental care coverage will terminate. Additional information regarding premium payments will be provided by the Algoma District Office upon an employee's request for leave.

10.04H Unpaid Leave

UNPAID MEDICAL LEAVE:

A. Application Procedures:

All requests for an unpaid medical leave of absence, other than emergencies, must be submitted to the District at least thirty (30) days prior to the anticipated beginning of the leave. Such application will be reviewed and processed by the District Administrator and shall be granted or denied in his/her sole discretion. The request must be accompanied by a physician's statement attesting to the disability and anticipated duration of the leave. The District reserves the right to request interim statements from the physician. The unpaid medical leave of absence shall not exceed one (1) calendar year, unless the employee is eligible for long-term disability benefits as provided for under the district long term disability coverage. If the employee is eligible for long-term disability benefits, the District shall grant an unpaid medical leave due to disability for up to a total leave period of twenty-four (24) months. The above total unpaid leave periods may be extended if necessary to comply with state and/or federal law. The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by GINA. Accordingly, we are asking that you not provide any genetic information when responding to this request for medical information. "Genetic information" includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services. An exception to the prohibition outlined in this paragraph is family medical history for situations in which the employee is asking for leave to care for a family member with a serious health condition (e.g., under the Family and Medical Leave Act).

B. Benefits During Leave:

1. Length of service and other benefits shall not accrue during such leave.
2. The employee may continue health insurance during the leave of absence by remitting the full premium amounts to the District. The continuation of health insurance at the employee's expense is contingent upon the health insurance carrier allowing such a benefit. If the premium is not received by the first of the month, the employee's insurance coverage shall be terminated.
3. During the unpaid leave, the employee shall retain accumulated paid leave, but shall not accrue any additional paid leave during the unpaid leave.

C. Placement upon Return from Leave:

The employee shall notify the District Administrator or his/her designee of the employee's intent to return to work at least forty-five (45) days prior to the expiration of the leave. If the employee does not provide such notice, he/she will be deemed to have resigned from his/her position with the District as of the expiration date of the leave. Upon return from any leave of absence, the employee may be returned to his or her former position, if available. If the former position is not available as determined by the District, the employee shall be returned to a position equivalent in terms of percentage of contract unless the employee's percentage of contract was reduced or increased due to nonrenewal or reduction in force, whichever is applicable.

The employee shall be eligible to return to duty from an unpaid medical leave of absence when he/she is physically able provided:

1. The employee has previously indicated his/her intent to return to duty following the expiration of the medical leave.
2. The employee provides his/her physician's certification that he/she is able to return to work. The District reserves the right to designate another physician to verify or refute the employee's physician's certification. If the two physicians' certifications are in conflict, a third mutually agreed to physician will issue a physician's certification. The third physician's certification will be binding on the parties. The District will pay all costs associated with the second and third physician's certification.

D. Failure to Return after Expiration of Leave:

In the event the employee does not return to work following the expiration of the leave, and subject to applicable legal restrictions, he/she will be deemed to have resigned his/her position with the District and waived any and all rights to further employment by the District.

E. Interaction with Family and Medical Leave Provisions:

Unpaid medical leave, the term of such leave and participation in insurance programs under this section as provided for above shall run concurrent with any leave(s) provided for under the Wisconsin Family and Medical Leave Act and/or under the federal Family and Medical Leave Act.

UNPAID NON-MEDICAL LEAVE:

A. Application Procedures:

Employees requesting this benefit must have at least two (2) years of consecutive service with the District. All requests for other unpaid leave of absence, other than emergencies, must be submitted to the District at least thirty (30) days prior to the anticipated beginning of the leave. Such application will be reviewed and processed by the District Administrator and shall be granted or denied in his/her sole discretion. The unpaid leave of absence shall not exceed one (1) calendar year. Generally, an employee seeking unpaid leave will be required to fully exhaust any available and accrued paid leave that is available for the purpose.

B. Benefits During Leave:

1. Length of service and other benefits shall not accrue during such leave.
2. The employee may continue health insurance during the leave of absence by remitting the full premium amounts to the District. The continuation of health insurance at the employee's expense is contingent upon the health insurance carrier allowing such a benefit. If the premium is not received by the due date established by the district, the employee's insurance coverage shall be terminated.
3. During the unpaid leave, the employee shall retain accumulated paid leave, but shall not accrue any additional paid leave during the unpaid leave.

C. Placement upon Return from Leave:

The employee shall notify the District Administrator or his/her designee of the employee's intent to return to work at least forty-five (45) days prior to the expiration of the leave. If the employee does not provide such notice he/she will be deemed to have resigned from his/her position with the District as of the expiration date of the leave. Upon return from any leave of absence, the employee may be returned to his or her former position, if available. If the former position is not available as determined by the District, the employee shall be returned to a position equivalent in terms of percentage of contract unless the employee's percentage of contract was reduced or increased due to nonrenewal or reduction in force, whichever is applicable.

10.041 Algoma School District Employee Covid-19 FAQ Response

What if I have symptoms of COVID-19?

You should not report to work if you have symptoms (a fever of 100.4 F or greater along with cough and/or shortness of breath). You should report your absence in accordance with your school/Skyward/ call-in procedure, even if you are

working remotely or on administrative leave. Absences due to illness or injury of an employee or member of the employee's immediate family related to COVID-19 should be treated as sick leave.

What if I need to self-isolate?

The answer is condition specific. For instance, if you have been exposed to COVID-19 and have been ordered to self-isolate, these absences will be treated as sick leave.

If you are self-isolating out of personal choice, these absences will be treated as personal leave/sick leave unless you have made remote working arrangements with your supervisor.

If you plan to personally travel to an area that requires known self-isolation upon return, then you should factor the self-isolation period into your personal/sick leave request.

If you are self-isolating due to underlying medical conditions for yourself or a family member, you should contact Human Resources to explore if FMLA is an option. Otherwise, these absences will be treated as personal/sick leave, unless you have made remote working arrangements with your supervisor.

What if I or a family member am at high risk for the virus?

We encourage you to discuss your situation with your supervisor so they are aware of your circumstances, can support you appropriately, and discuss your personal needs with you as this situation develops. HR will ask supervisors to work with the individual to agree how they are best protected. We will address this compassionately on a case by case basis considering individual circumstances and current guidance from healthcare officials.

Do I need to complete FMLA paperwork?

We are not requiring FMLA documentation specifically for short-term COVID-19 symptoms. However, if the absence involves hospitalization, more than a 2-week absence, or involves a school/childcare closure, FMLA paperwork should be requested. For other medical conditions (such as surgery or pregnancy), our usual FMLA policy will remain in effect. Anyone who wishes to use sick leave for cautionary self-isolation (i.e., underlying medical conditions) should contact Human Resources to explore if FMLA is an option.

My supervisor has asked me not to report to work at this time, will I get paid?

If school has temporarily suspended your work duties under the COVID-19 response, benefit-eligible employees (those who accrue sick leave and personal leave) will be placed on paid administrative leave. During this time, you are expected to be readily available to work as requested by your supervisor during your regularly scheduled hours. You will not be charged sick or personal leave while on administrative leave unless you are unable or unwilling to be readily available to report to work.

Only benefit-eligible employees who accrue sick leave and personal leave are eligible for paid administrative leave. Non-benefit eligible employees may be eligible to file for unemployment.

We are seeking to address individual needs consistently during this evolving situation. Some roles simply cannot be performed from home and as long as the school remains open must continue to be performed. You are encouraged to speak to your supervisor or you may contact the business office for further guidance.

This response only applies for temporary suspension of school and all final decisions will be made at that time. If there is an extended school disruption it is possible that all employees could be on leave, paid or unpaid.

Can the district prevent employees from traveling?

The school district can prohibit work-related travel completely, or just to certain highly impacted areas. The district cannot prohibit personal travel, but the district will require employees to inform the superintendent of their travel, and you will be prohibited from working on-site for a period of 14 days after you return. During these two weeks, if your jobs duties allow you to work from home, you can continue to work. If you cannot work from home, you will need to take those days off of work.

When can the district tell employees to stay home?

- If the employee is visibly sick
- If the employee is returning from a country with a level 3 travel advisory
- If the employee has been in close contact with someone with COVID-19
- If the employee is diagnosed as having COVID-19
- If the employee has traveled out of state

Does an employee have the right to refuse to work out of fear of catching COVID-19?

No, not unless there is imminent danger. The COVID-19 situation is changing rapidly, but at this point, there is probably not imminent danger unless an employee would be forced to work with someone who has COVID-19 or someone who was in close contact with a person who has COVID-19 within the last 14 days.

Can we require employees to work from home?

Yes, we can offer it as an option, or require employees to work from home.

What about employees who can't work from home because the nature of their job requires them to be at one of our facilities?

These employees can be required to come to work, unless they have COVID-19 or have been in contact with a person who has COVID-19.

Algoma School District Employee Covid-19 Action

Screening for COVID-19

*Screening is not a medical blood test, it consists of a multiple questions and temperature checks

REQUIREMENTS

ALGOMA SCHOOL DISTRICT employees who are returning to ALGOMA SCHOOL DISTRICT work locations must be screened for COVID-19 and cleared prior to returning to work. Essential employees who are already working at the ALGOMA SCHOOL DISTRICT location will be screened in accordance with this handbook and scheduling priorities. Employees who are screened but not cleared to return to work must isolate at home, notify their supervisor, follow instructions from the ALGOMA SCHOOL DISTRICT, and cannot return to work until cleared.

Employees are required to complete a COVID-19 Screening Questionnaire within 48 hours of receipt, if asked, via notification email from the ALGOMA SCHOOL DISTRICT business office. As part of the screening process, it is possible that the ALGOMA SCHOOL DISTRICT will require the employee to take a COVID-19 nasal swab test administered through an ALGOMA SCHOOL DISTRICT health partner to confirm that they are not COVID-19 positive. Outside of the return to work determination described in this handbook, COVID-19 testing samples will only be used in accordance with Wisconsin Department of Health rules and regulations. Access to an individual's test sample and results will be held in a confidential manner by the ALGOMA SCHOOL DISTRICT business office. The testing will be offered at no charge to employees. Employees may elect to opt out of the COVID-19 test.

ACTIONS FOR NONCOMPLIANCE

Employees who refuse to be screened for COVID-19 may not return to any ALGOMA SCHOOL DISTRICT work location. Supervisors should instruct essential employees who are performing work at ALGOMA SCHOOL DISTRICT work locations and refuse to be screened, or are screened but not cleared, to leave their work location and isolate at home immediately. The supervisor should immediately contact the business office. If any employee does not comply with a directive to leave their work location or returns to a work location before being cleared, the supervisor should contact the business office.

If, for any reason, an employee fails to complete the COVID-19 Screening Questionnaire, the business office will issue a formal letter to the employee, and the employee will have two (2) calendar days to complete the COVID-19 Screening

Questionnaire. After being counseled, employees who fail to comply with screening requirements are subject to unauthorized leave without pay and are subject to disciplinary action, up to and including dismissal.

REQUIREMENTS

As part of the Institutional Recovery, the school will expand physical operations incrementally and after careful review by administration and the school board. Employees who have been coming to school periodically prior to the issuance of this handbook addition should limit visits to essential needs until screened and cleared. Non-essential employees who have not been routinely coming to school should wait until screened and cleared before returning. Once employees have been individually notified of the requirement to return to the workplace, they are expected to return after they have been screened and cleared to return. If an accommodation is needed after clearance and notification to return to the workplace, employees may request an accommodation through the ALGOMA SCHOOL DISTRICT Americans with Disabilities Act (ADA) accommodation process, which requires justification and medical documentation.

ACTIONS FOR NONCOMPLIANCE

If there are no accommodations that can be offered, employees are expected to return to the workplace as instructed. If an employee refuses to return, or returns to the workplace before being cleared, the supervisor should contact the business office. The business office will issue a formal letter of counsel to the employee, and the employee will have two (2) calendar days to return to work. After being counseled, employees who fail to return to their work location are subject to unauthorized leave without pay and are subject to disciplinary action, up to and including dismissal.

Employee Responsibility for Working Safely

REQUIREMENTS

A face mask or cloth face covering will be required everywhere on campus and at other ALGOMA SCHOOL DISTRICT work locations except when in a private office, closed classroom, or outdoor area separated by at least six (6) feet from others. This requirement extends to invited school guests, including, but not limited to visiting students, contractors, and other guests approved by the building principal. Individuals not using a face mask or covering (outside of the exceptions noted above) will be asked to put one on or leave the area to help maintain the safety of our staff and students. While face masks and coverings may provide the wearer with some protection, their primary purpose is to decrease the risk of spreading viruses and other respiratory diseases by protecting those individuals exposed to the wearer, as the wearer may not be showing outward signs of infection. Daily temperature checks and health questions may be performed onsite or via our district health application.

A face mask meant for a health care worker (e.g., an N95 mask) is not necessary, unless the employee is in a setting where there is the potential for direct exposure to a person/persons infected with COVID-19.

Note that the face mask/cloth face covering is not a substitute replacement for social distancing and proper hand washing.

Washing hands aids in keeping employees healthy and preventing the spread of COVID-19 to coworkers we care about. All employees should adhere to the following CDC recommendations on hand washing:

Wash your hands often with soap and water for at **least 20 seconds** especially after you have been in a public place, or after blowing your nose, coughing, or sneezing.

If soap and water are not readily available, use a hand sanitizer that contains at least 60% alcohol. Cover all surfaces of your hands and rub them together until they feel dry.

Avoid touching your eyes, nose, and mouth with unwashed hands.

If employees are feeling sick, they must stay home until better, and consult with their physician if necessary.

If employees are experiencing COVID-19 related symptoms or have had prolonged exposure to someone who has tested positive, they are required to report this to their supervisor and the business office, and may not report to work.

Employees who test positive for COVID-19 must be cleared by Kewaunee County Health Department, the superintendent, and our local health partner before returning to work.

ACTIONS FOR NONCOMPLIANCE

If an employee does not comply with a directive for wearing an appropriate face covering in their work location, does not follow physical/social distancing requirements, or otherwise does not comply with requirements for working safely, the supervisor should direct the person to leave the work location immediately, and contact the business office. The employee's behavior may be considered disruptive and under certain policies lead to discipline or dismissal. If the employee refuses to comply or leave the work location, the supervisor should contact the business office.

Employees who exhibit signs of illness at work will be sent home by their supervisor. If any employee does not comply with a directive to leave their work location, the supervisor should contact the business office.

Employees who fail to comply with the working safely requirements are subject to counseling or disciplinary action, up to and including dismissal.

Invited guests who fail to comply with the safety requirements of this policy will be asked to leave school grounds. It is the responsibility of the employee that invites the guest to ensure compliance.

Accommodation

Employees who seek an accommodation through the Americans with Disabilities Act (ADA) shall submit a Request for Reasonable Accommodation Based on Disability Form to the business office. A review of the request and analysis of the identified impairment will determine whether the reported condition meets the criteria of disability under the ADA and whether the accommodation(s) requested is/are reasonable and appropriate.
