

Janice (Dettman) Hanamann

Annual Scholarship

2021

Administered & Processed by the Algoma Education Capital Fund

Words from Michael Hanamann, Janice (Dettman) Hanamann's son:

"I wanted to create a scholarship in her name as a way of showing her how much she has meant to me as a mother and how much I appreciate everything she has done for me over the years. She has always supported me in good times and in bad, and if I ever needed anything I knew that she would always be there for me. Being the youngest of four boys, I was and always will be her "baby" boy, and that is a title that I will always cherish. Also, I wanted to create a scholarship so her legacy could continue on in the future by helping out kids who want to better themselves and make a positive impact on the world."
