

KCPPA

SCHOLARSHIP

The Kewaunee County Professional Police Association consists of current members of the Kewaunee County Sheriff's Department. The mission of the Association is to recognize the hard work and dedication of our department members and to maintain an enjoyable working environment for the department. This starts with the ongoing recruitment of new department members and their support going through school.

We are providing six \$500.00 scholarships to deserving high school graduating juniors and seniors who are enrolled in and pursuing a career in Law, Public Safety and Security. After the successful completion of one (1) semester of post-secondary schooling, the scholarship will be paid out.
